

<p><b>Blue Hat</b></p>  <p>What thinking did we explore this term?</p>	<p>This term I needed to make my writing better by putting in capital letters and fullstops.</p> <p>This term I had to think about what I was going to write for my narrative writing.</p>
<p><b>White Hat</b></p>  <p>What did you learn this term?</p>	<p>This term I learnt how to understand a rule in maths.</p> <p>I learnt how to give emotion to my characters in my writing.</p> <p>Earlier this term I learnt how to get my fingerprints onto cello tape and I was able to get different peoples fingerprints as well</p>
<p><b>Black Hat</b></p>  <p>What were some of the weaknesses in your learning this term?</p>	<p>I don't mark my work on time that much.</p> <p>I didn't include enough work on my Novel Study on my computer.</p> <p>I don't go bak and edit my work that much.</p> <p>When I was putting my fingerprints on the cello tape it took me to long to do and I kept chucking out the cello tape.</p>
<p><b>Yellow Hat</b></p>  <p>What were the positives of learning this term?</p>	<p>I got my honors badge that I worked so hard on.</p> <p>Earlier this term I finished my science fair on time and I thought that it was fun to make.</p> <p>I am proud of my self because I got into the top 50 of cross country.</p>
<p><b>Red Hat</b></p>  <p>How did you feel about the learning this term?</p>	<p>I enjoyed making my book launch because it was really fun filming different parts in the movie.</p> <p>I found my science fair really frustrating to make because doing the experiment was hard to do.</p>
<p><b>Green Hat</b></p>  <p>How will you use your new knowledge in the future?</p>	<p>I will now give emotions to different characters in my writing that I do</p> <p>If someone stole something and theres marks of there fingerprints I will now be able to identify who it was</p>
